[Jewish Immigrants to the Caribbean - geni.com](#)

The migration of colonial citizens began slowly. From 1948 when the Empire Windrush arrived until 1952, between 1,000 and 2,000 people entered Britain each year, followed by a steady and rapid rise until 1957, when 42,000 migrants from the New Commonwealth, mainly from the Caribbean, entered. The numbers declined by almost a half in the two ...

As Caribbean literature also registers, the Calypso Jews were not the first Jewish refugees to arrive in the Caribbean. After their expulsion from the Iberian Peninsula in the late fifteenth century, Sephardic Jews resettled in Curaçao, Jamaica, Barbados and elsewhere, establishing Jewish communities and building beautiful synagogues that one can still visit today. Contemporary Caribbean ...

What is the Jewish view of dreams? Dreams have always agitated and fascinated people. Indeed, the study of dreams goes back to ancient times. The question that has always existed is whether dreams have any significance? According to Sigmund Freud in his book The Interpretation of Dream (Published 1900) he claims that all details of a dream even the most ridiculous of them have significance. In ...

People often think of migration as a recent phenomenon. However, migration has been a feature of human existence for centuries. Humans have always migrated in groups and as individuals to seek freedom from war and conflict, to escape hunger and poverty, to find new economic opportunities and employment, to flee from religious intolerance or political repression, or even to trade and to travel ...
