"A Land So Strange" is a very well organized and concise history of the amazing tale of Cabeza de Vaca and his three compatriots who survived the journey on foot and rafts from Florida through Texas and into Mexico. At just over 200 pages (not including the very comprehensive foot notes), the book is the perfect ...

The primary sources for this epic tale are the official transcript of and report on the testimony of three of the survivors and Alzar Nunez Cabeza de Vaca's 1542 narrative report on his 8 year odyssey from what is now Tampa, Florida to Mexico City. Andrés Reséndez retells this story in a hugely entertaining and informative way. The book is well written and fast paced. The numerous maps ...

all the major players. Beyond the almost miraculous survival of the Royal Treasurer Cabeza de Vaca, Captains Andres Dorantes and Alonso del Castillo, and the black slave, Estebanico, the central puzzle of this survival saga is how these four sole survivors out of a force of over 300 managed to go from essentially captive slaves to shamans and revered healers.
