In Class Matters, a team of New York Times reporters explores the ways in which class—defined as a combination of income, education, wealth, and occupation—influences destiny in a society that likes to think of itself as a land of opportunity. We meet individuals in Kentucky and Chicago who have used education to lift themselves out of poverty and others in Virginia and Washington whose lack of education holds them back. We meet an upper-middle-class family in Georgia who ...

[Class Matters Summary & Study Guide - www.BookRags.com](#)

There was a time when Americans thought they understood class. The upper crust vacationed in Europe and worshiped an Episcopal God. The middle class drove Ford Fairlanes, settled the San Fernando Valley and enlisted as company men. The working class belonged to the A.F.L.–C.I.O., voted Democratic and did not take cruises to the Caribbean.

[Class matters, by correspondents of ^|The New York Times^R](#)

Class Matters, by correspondents of The New York Times, is a book about the importance of the classroom and how it can relate to your success in the world. Success to most people is the American dream. To have the cars, clothes, jewelry, house, job and family, basically to get anything and everything you could ever want and more. Some feel that this is achieved by choosing your dream, but you ...

[Class Matters - Community Reads - ULibraries Research ...](#)

Thus, it is hardly surprising that CLASS MATTERS, a book compiled from stories previously published about class in America by the New York Times, should consist largely of anecdotes. That it works so well is a tribute not just to the writers themselves, but to the editorial framers of this collection. CLASS MATTERS addresses the great taboo of America, the myth of a classless society. Never ...

Class Matters Ch. 1 Our assignment was to read our Class Matters book by Correspondents of the New York Times (introduction by Bill Keller). We then have to give the gist of what we read as well as answer some questions so here we go.. Gist: The beginning of this chapter really talks about class rank within society. It talks about how we all belong to a class, which is either lower class ...

[Class Matters – Social Class in the United States of America](#)

In this lesson, students examine the many facets of the term "class," defining the term and exploring some of the ways that class plays into life in American society. They then participate in a poll about class-related issues and administer a poll to others, evaluating their findings and comparing them to the results of a similar New York Times poll.

The contributors to Class Matters contest this demise. Although differing in their approaches, they all agree that socioeconomic inequality remains indispensable to a true understanding of the transition from the early modern to modern era in North America and the rest of the Atlantic world. As a whole, they chart the emergence of class as a concept and its subsequent loss of analytic purchase ...
