Fable 2 PC Download – Game Review: Scenario again brings us into a fantastic Albion, slightly reminiscent of England. However, this time the action takes place about five hundred years later. The period of time, first of all, can be seen in the construction, clothing and weapons (in the use of, for example, firearms), although also changed at least the law. In General, the virtual universe ...

Fable 2 is going to be an unprecedented life simulator, one that lets you grow your character from a small, impressionable child into a complicated adult (complete with emotional baggage) who affects the world around him or her in ways big and small. Riiiiiiight. Gamers may remember that the original Fable (XB) promised something quite similar but ended up being mostly an action-RPG--heavy on ...
