Central to question of integrity is whether a person has the courage to face up to reality. Cloud shows how the ability to address adversity, to learn lessons from it, and adjust one's behavior is a greater determinant of success than brains or talent or charm. He shows that successful leaders have competencies, alliances and, most important, character. Then he examines exactly what behaviors ...

The Party's reality is their reality: they are synonymous with it. To challenge the Party would be to question their very existence itself, even though this existence, from the reader's perspective, is the obvious result of distortion. When the Party yes-man, Parsons, is thrown into a cell in the Ministry of Love, Winston can ask even him "Are you guilty?" and we are not surprised when ...
