By maintaining and repairing your MAP sensor, you'll keep your engine running smoothly. How a MAP Sensor Works . This MAP sensor is mounted directly to the intake manifold, but others might be connected by a hose. Benji Jerew/Flickr/CC BY 2.0. The ECM uses MAP sensor data to run crucial calculations, such as engine load, fuel injector pulse, and spark advance. When at rest, the MAP sensor ...

Oil Engine Sensors Noise. Yesterday, after driving for 2 miles, the engine started making a repetitive and really loud noise, which increased as I accelerated the engine. Being stopped, the noise was there just as well. Today, I changed the oil, as that was the solution one previous time this happened to me. I would like to mention, anyway, that the other time, the oil sensor indicator had ...

It is 1.3 liters engine which is known as economic fuel consumption engine. 4G15 is 1.5 liters model is the base range model and produced a little more HP compare to 4G13. The 1.5 engine is very much your economy engine with only 90hp on engine. It can be modified easily and with surprising results. If going down to NA (naturally aspirated) path, with some modifications you can easily up the HP ...
