It is the gentleman of the Georgian period who is the precursor to the gentleman of the Victorian period in that he establishes a code of conduct based on the three Rs: Restraint, Refinement and Religion. During the reign of George III, the British begin, by their reserve and emotional control, to distinguish themselves from the peoples of southern Europe whom they considered to have a more ...

Boots: De rigueur for the Regency gentleman. Hessians were inspired by standard issue footwear worn by military officers. The boots had a low heel, a semi-pointed toe, and were often tasselled, like these in the photo. They were practical for riding and looked fashionable, too. Of course, they'd be polished to a high sheen. Wellington boots were made popular by the First Duke of Wellington ...

A GENTLEMAN'S PROMISE is the first novella in Tamara Gill's "Scandalous" trilogy. The story centers around Charlotte, a young lady who for two long years has been trapped in a violent marriage to a cruel and disgusting libertine. Lord Mason Helsing is a former neighbor of Charlotte's who has vowed to help his old childhood friend in any way that he can. When the two reunite after years of ...

An Honorable Gentleman was a sweet and quick regency mystery from one of my favorite authors. It didn't quite grip me as Regina's others have, but it had a heartwarming-small-town (or village, in this case) feel to it, and endearing characters. A nice & easy "weekend read", and I enjoyed it's unique simplicity.

The primary quality of a gentleman was that he did not sully his hands with work. His income came from other, more noble sources: passive income from rent and investments and honorariums offered by grateful recipients of their services. Note this was critically different than being paid for one's services. If one was paid for their work, his standing as a gentleman would fall into question. An ...

The term "gentleman" isn't meant to be an unattainable ideal; it takes into account basic human nature, in which we all make mistakes, choices, and judgments every day. The difference lies in that a gentleman does not believe himself to be perfect, but instead takes ownership and responsibility for the things he can control: his actions, knowledge, and approach to the world.
