Regeneration: Made in China is a tribute to the new dignity that adoption has acquired today in this country, because our society has become more open to it and has evolved in such a way that identity and success are not solely defined by birth, wealth and place of origin. Biological births do not always guarantee that the parents will love and cherish their offspring, and cases of abuse are ...

Effie Piliouni Albrecht's writing is predominantly creative non-fiction and is a deeply personal narrative about her life, experiences, and emotions exploring the themes of love and loss, death, rebirth, and being a part of two cultures. As a young woman, she explored poetry as a means of expression, but has moved into longer narratives over the years. As the president of Chewacla Writer's ...
