Spies and Commissars: The Early Years of the Russian Revolution Telord 1403: Amazon.de: Service, Robert: Fremdsprachige Bücher

[Spies and Commissars: The Early Years of the Russian ...](#)

In Spies and Commissars Robert Service revisits the 1917 October Revolution that created the Soviet Union. The Bolsheviks were ruthless in bending terror to their will and exporting revolution to the West. Stalin's succession to party leadership led to the execution of virtually all of the early stalwarts like Trotsky and Zinoviev. It lasted 74 years.

[Spies and commissars : the early years of the Russian ...](#)

While decent enough, this book should have been titled "Diplomats and Trade Ministers" rather than "Spies and Commissars", because that is the main topic of the book. In fact, this book contains very little specific information about the activities of spies or commissars, and certainly no tales of derring-do. The book has interesting sections about the personal relationships between some of the Westerners who come to Soviet Russia for one reason or another and the Bolshevik leadership, but ...

[Spies And Commissars The Early Years Of Russian Revolution ...](#)

Service's book is excellent in detailing the crucial early years after the coup during which the communists fought to consolidate their government against their various foes – occupying forces and spy networks from the Allied governments, still hoping for Russia's re-entry into WWI; the German army, desperate for men and supplies for the Western front; disparate counter-revolutionary 'White' forces; even Menshevik supporters on the Soviet councils.

[Spies and Commissars: The Early Years of the Russian ...](#)

This book tells the story of these complex interactions in detail, revealing that revolutionary Russia was shaped not only by Lenin and Trotsky, but by an extraordinary miscellany of people: spies and commissars, certainly, but also diplomats, reporters, and dissidents, as well as intellectuals, opportunistic businessmen, and casual travelers. This is the story of these characters: everyone from the ineffectual but perfectly positioned Somerset Maugham to vain writers and ...

[Spies and Commissars: Bolshevik Russia and the West by ...](#)

In "Spies and Commissars," Service gives us a remarkably clear portrait of Russia as it emerged from the Bolshevik coup d'etat, and the efforts of its erstwhile allies -- Britain, France and the United States -- to compel the regime to (a) remain in the war against Germany, and failing that, to (b) isolate it and extinguish the bacillus of communism. The story is told with panache and great insight. Yes, it has been told before, but Service's achievement is that he has drawn together threads ...

The early years of Bolshevik rule were marked by dynamic interaction between Russia and the West. These years of civil war in Russia were years when the West strove to understand the new communist regime whilst also seeking to undermine it. Meanwhile, the Bolsheviks tried to spread their revolution across Europe at the same time they were ...

[Spies And Commissars The Early Years Of The Russian ...](#)

This book does a nice job of simplifying the complicated early years of the Russian Revolution. From the Bolsheviks, the Germans, the Western Powers and all the deluded fans, it provides fascinating reading. Interesting Facts Even today, British attempts to undermine Communist Russia in 1918 remain classified in Britain. Lloyd George, by authorizing a British trade agreement with the Soviet ...
