THE MIGRATION OF GHOSTS

Mar 03, 2021

[The Migration Of Ghosts](#)

Melville's Migration of Ghosts is a fantastic collection of dark and darkly comic short stories. I am particularly impressed by her writing style, which is both gutsy and poetic. She can make grotesque imagery both appealing and amusing in a way, which can be expressed with this quotation, "Worst of all, someone had seen a dog running from the hospital with a package in its mouth. It stopped by a trench to worry the brown parcel open. A nine-inch, semi-transparent human foetus fell out and the d

Pauline Melville is the most exuberant of fatalists. In her second collection, The Migration of Ghosts, she moves between the civilized and the visceral, her tales phantasmagoric and hyperreal. In the first story, "The President's Exile," a brutal, petty, and very dead South American politician is assailed by his own sense of fraudulence as he relives scenes from his rise to power. President Hercules had always prided himself on his grasp of reality, "and it was this that made his present ...

The migration of the blog posts from Webflow CMS to Ghost was relatively straightforward, at least from an outside perspective. The issues we faced were specific to our Webflow CMS implementation. Since we stored content as a mix of HTML and markdown, it first had to be transformed entirely into either one (we chose HTML). After that it was just a matter of putting the data in the format that
